Mare:
Mare ID

Serving Conditions Pótti frá Wetsinghe:

- 1. Only mares with a valid FEIF-registration certificate of Icelandic Horses are accepted.**
- 2. The mares have to be free from any contagious disease. Mares without foals, mares that have aborted or given birth to a dead foal are only to be accepted with a negative cervix sample, not older than 30 days.**
- 3. The owner of the mare is responsible for any costs concerning the mare while grazing with the stallion, whether these are costs for a veterinary treatment or a farrier.**
- 4. Mares with shoes are not accepted.**
- 5. When visiting a mare, the stallion owner is not responsible for any damage done to the property by the stallion.**
- 6. When visiting a mare, the mare owner has to pay the costs, which can vary due to distances, for transport directly to the transport company, and the cost of travel insurance for the stallion.**

- 7. a. The stud fee for serving in herd is NZ\$1,000 + 15% GST per mare**
The stud fee is included 6 weeks grazing, excluded extra feeds other than grass.
Scanning can be arranged, this will be for the mare owners account.
Payment of the stud fee will be due when collecting the mare / when collecting the stallion.
- b. The stud fee for AI is NZ\$500 + 15% GST to be paid prior to insemination.**
The costs of the semen collection, sending and insemination are to be paid by the mare owner.
After 90 days the pregnancy fee)*, NZ\$500 + 15%GST has to be paid.
)*90-days pregnancy fee:
The mare owner is obliged by signing this contract to pay the 90 days pregnancy fee. If the mare is not in foal, a certificate signed by a legal veterinarian has to state the fact before 90 days after the insemination. If the certificate states the mare is not in foal, no 90-days pregnancy fee has to be paid. If no certificate regarding non-pregnancy is sent the mare owner is obliged to pay the fee regardless the state of the mare.
- 8. After payment of the total fees, the mare owner will receive a certificate of serving.**
